

How New Year's is celebrated in America

By Leola Motley

The day before New Year's is a special day for many, this day is New Year's Eve. Many Americans, reflect on their accomplishments, and make plans for the following year; these are called New Year resolutions. Many Americans, for New Year's Eve; dress up, have parties and attend gatherings. On New Year's Day, they spend it, drinking exquisite Wine, uncorking champagne, and watching a football match.

In the United States, one of their New Year's, traditions are watching an enormous ball drop in the big Apple, known as New York. Since 1907, various individuals around the world has watched this event.

If you attend a New Year's event in the United States, you'll possibly hear the song Auld Lang Syne, that interprets to "old back then." The literary composition music was enclosed by poet, the song is regarding "the love and kindness of days passed by; however, it conjointly offers the United States a way of happiness, and fellowship.
