

Sandy Lane Resort

By Leola Motley

A luxurious beach resort in Barbados, the Sandy Lane resort is a paradise for honeymooners. Offering a combination of privacy, numerous activities, and first-class service, the resort is located on the west coast of the island of Barbados. It offers three golf courses, a 47,000 square foot spa, a white

sand beach, and the Caribbean Sea. The island of Barbados offers tropical climate with year-round temperatures that stay between 75 and 85 degrees.

The non-stop flights to Barbados take around 4.5 hours from New York City, making the island one of the best beach vacation spots from the East Coast. The country club at Sandy Lane Resort is a golfers' paradise. The resort spa, fronted by a waterfall and swimming pool, offers guests a combination of relaxing and healing therapies from the Far East, Caribbean, and even Europe. For the ultimate in spa indulgence you should try one of the nine VIP treatment suites with a private landscaped garden and three hydrotherapy pools.

The 112 resort rooms are both luxurious and very spacious, with each one offering a plasma television and high-speed internet access. The hotel also provides 24 hours room service, and maid cleaning service twice a day. If you plan to go on a family vacation, the resort offers the Tree House Club, which is a special facility designed for children ages 3 - 12. Kids can experience exciting thrills, such as swimming with turtles and Easter egg hunts. The resort also offers you and your family several exciting water sports, tennis, and even shopping.
