

Dave Loves Dogs

By Leola Motley

My name is Dave,

I'm 16 years old and I love dogs. I have a dog at home is name is fluffy. I call him fluffy. Because he is fluffy like a teddy bear. Fluffy loves to play, he runs through the house barking, and playing with his toys. He reminds me of the brown teddy bear, I had when I was younger. My teddy bear was brown and fluffy. It had a white button on it, that you could press and listen to music. I would press that button and listen to the music it played for hours.
