

## Big Family

By Leola Motley

I come from a family of eight. I have a mother a father and 5 siblings. I have 3 brothers and 2 sisters. I am the youngest out of the six. I spend most of my free time with my siblings. We go on many family trips. We also play many games and have sleep overs. Out of the six of us, me and Kiesha is the closest. This is because we are so close in age. Keisha and I like the same things and sometimes wear the same colors.
