

Daniel Loves the Beach

By Leola Motley

Hi I'm Daniel,

The beach is my favorite place to visit. Every summer my family and I go to Myrtle beach for our summer vacation. There are all kinds of things to see and do at the beach. Many people love the beach.

There are jelly fish, stonefish, turtles, and seashells at the beach. When I go to the beach, I like to make sandcastles, collect seashells, play volleyball, and go swimming.

Pick the right answers
